

Garden Explorers!

Classes to get kids growing!
For ages 9-11 years. \$8/child. Limit 15.

Fantastic Flowers!

Saturday, October 16 from 10 am—noon.
Come dissect flowers and pound plants to discover how plants grow! We'll press flowers to create our own works of art and even snack on a few edible buds or flowers.

The Dirt on Soil

Saturday, November 13 from 10 am—noon.

Ready to get your hands dirty?

Discover the hidden world beneath your feet as we dig in the dirt and examine what lives underground.
